

1950
Clara Barton

14 March, 1950

Dear Dr. Epler:

In response to your letter of the 9th of March, permit me to tell you that Mrs. Roosevelt did send in the nomination of Clara Barton, and in her letter transmitting the nomination to us, she informed us that she was presenting this name on your behalf.

You will probably hear from Mrs. Roosevelt directly within a few days.

Sincerely yours,

Bertha L. Lyons
(Mrs. N.)
